

WEEK OF APRIL 13, 2025

From Woody: We were blessed with a wonderful period of reflection yesterday by our organist and friend, Donna Sweet. She wrote a prayer which we prayed at the end of her organ playing. I am honored to share it.

“THE DAY I STOOD”

Dear Savior,

The day I stood at the foot of the cross I was uncertain--Help my unbelief
The day I stood at the foot of the cross I was anxious--Give me peace
The day I stood at the foot of the cross I was weak--Grant me strength
The day I stood at the foot of the cross my heart was empty--Fill it with your love
The day I stood at the foot of the cross I was full of self--Grow me into humility
The day I stood at the foot of the cross I was closed--Open me to your guidance
The day I stood at the foot of the cross I was in darkness--Give me your Light
The day I stood at the foot of the cross I was burdened--Place your yoke upon me
The day I stood at the foot of the cross I was a wandering lamb--Focus me into your mission
The day I stood at the foot of the cross I was in a garden that needed weeding
Remove me from the weeds and help me blossom
The day I stood at the foot of the cross I heard you pray
Please let me feel you pray - Amen
